

For patients 18 years or older, parents, legal guardians, or caregivers can request proxy access, with the patient's or authorized person's consent, by completing this Adult Proxy Access form. The patient can also complete this form on the NOAH website at [www.noahhelps.org/MyChart](http://www.noahhelps.org/MyChart).

**What is proxy access?**

Proxy access allows a parent, legal guardian or caregiver to link a patient's MyChart account to their own MyChart account. Linking the patient's MyChart account to their own will allow a parent, legal guardian or caregiver (the proxy) to view and manage the personal health information of the patient.

If the proxy or the patient listed below doesn't currently have a MyChart account, by submitting this form, a MyChart account will automatically be created.
